How to Authenticate This Official Transcript From Indiana State University

This official transcript has been transmitted electronically to the recipient, and is intended solely for use by that recipient. If you are not the intended recipient, please notify the Office of Registration and Records at Indiana State University. It is not permissible to replicate this document or forward it to any person or organization other than the identified recipient. Release of this record or disclosure of its contents to any third party without written consent of the record owner is prohibited.

This official transcript has been digitally signed and therefore contains special characteristics. If this document has been issued by the Indiana State University, and for optimal results, we recommend that this document is viewed with the latest version of Adobe® Acrobat or [Adobe® Reader](#); it will reveal a digital certificate that has been applied to the transcript. This digital certificate will appear in a pop-up screen or status bar on the document, display a blue ribbon, and declare that the document was certified by the Indiana State University with a valid certificate issued by GeoTrust CA for Adobe®. This document certification can be validated by clicking on the Signature Properties of the document.

The blue ribbon symbol is your assurance that the digital certificate is valid, the document is authentic, and the contents of the transcript have not been altered.

If the transcript does not display a valid certification and signature message, reject this transcript immediately. An invalid digital certificate display means either the digital signature is not authentic, or the document has been altered. The digital signature can also be revoked by the transcript office if there is cause, and digital signatures can expire. A document with an invalid digital signature display should be rejected.

Lastly, one other possible message, Author Unknown, can have two possible meanings: The certificate is a self-signed certificate or has been issued by an unknown or untrusted certificate authority and therefore has not been trusted, or the revocation check could not complete. If you receive this message make sure you are properly connected to the internet. If you have a connection and you still cannot validate the digital certificate on-line, reject this document.

INDIANA STATE UNIVERSITY

Indiana State University is an outgrowth of the Indiana State Normal School which was established in 1865. The name was changed to Indiana State Teachers College in 1929, Indiana State College in 1961, and as reflected today, Indiana State University on February 8, 1965.

ACCREDITATION

The Institution is accredited by the Higher Learning Commission of the North Central Association and by NCATE.

ACADEMIC CALENDAR AND CREDIT

As of Fall 1959, Indiana State University operates under the 16-week semester system. Prior to Fall 1959, credits were listed on the basis of quarter hours.

TRANSFER CREDIT

Transfer credits accepted by the University are indicated on the transcript.

ELIGIBILITY TO RE-ENROLL

Former ISU students who have interrupted their studies for more than two calendar years must apply for readmission.

ACADEMIC RENEWAL-Undergraduate

Students must have completed course work five full years before current re-admission to be considered for academic renewal. If academic renewal is granted, only courses taken before re-admission with grades of "C" or above will count and all courses with passing grades lower than "C" will no longer count toward degree completion.

INCOMPLETE GRADES

An incomplete grade (IN) may be given only at the end of a semester or term to those students whose work is passing but who have left unfinished a small amount of work. Undergraduate students may not graduate with an incomplete on their records, effective summer 2007.

COURSE NUMBERING SYSTEM

Undergraduate Courses

001-099 Developmental courses
100-199 Lower-division freshman courses
200-299 Lower-division sophomore courses
300-399 Upper-division junior courses
400-499 Upper-division senior courses

Graduate Courses

500-699 Open to graduate students
700-899 Open to post-master's and doctoral programs

GRADE POINT SYSTEM

Letter grades are used to designate the quality of work completed. All courses attempted through the University will be recorded on the transcript. The grade point average is determined by dividing the total grade value earned by the total credits attempted.

A grade that is excluded from the undergraduate GPA is designated by an "E" to the right of the course, under the column heading of R. Effective Fall 2013, only the highest grade earned is computed in the grade point average. Excluded courses are not included in any GPA computation. Prior to Fall 2013, an undergraduate course could only be repeated once for grade improvement.

Effective Fall 2009, a new plus/minus grading system was implemented. Grade values are determined by when courses were taken as outlined in the following charts:

Grading System

<u>Grade</u>	<u>Grade Value</u> <u>Effective Fall 2009</u>		<u>Grade Value</u> <u>Prior to Fall 2009</u>	
	<u>Undergrad</u>	<u>Grad</u>	<u>Undergrad</u>	<u>Grad</u>
A+	4.00	4.00	N/A	N/A
A	4.00	4.00	4.00	4.00
A-	3.70	3.70	N/A	N/A
B+	3.30	3.30	3.50	3.50
B	3.00	3.00	3.00	3.00
B-	2.70	2.70	N/A	N/A
C+	2.30	2.30	2.50	2.50
C	2.00	2.00	2.00	2.00

F	0.00	0.00	0.00	0.00
WF*	0.00	0.00	0.00	0.00

*Effective Fall 2013, official withdrawals from the semester are indicated by the letter grade of W, in place of the WP/WF grade. An "official withdrawal" involves the student dropping all classes.
